

Your #1 source for affordable Intern Housing!

To: Our Intern & Co-Op Partners

From: The Campus Career Center

Question:

As a valued employer partner, have you considered offering our Intern & Co-Op Candidates access to internhousing.com?

About internhousing.com:

internhousing.com is an interactive website that provides housing assistance to interns & co-ops through a *password protected* online service portal. In 1998, internhousing.com pioneered the use of the Internet as a low cost alternative to expensive corporate housing, and employee relocation services.

Companies and government agencies like IBM, Ford Motor Company, NVIDIA, Hewlett Packard, Intel, and the U.S. Department of State have made internhousing.com an essential part of their intern programs in order to:

- Increase the number of temporary housing options available to interns & co-ops.
- Increase the satisfaction of interns & co-ops with their temporary housing experience.
- Reduce the liability associated with this activity.
- Reduce the cost of temporary housing.

Internhousing.com has continually upgraded and expanded available services to include:

- **Rooms 4 Rent Listings**—Listings created by local company employees.
- **Intern Friendly Housing**—Rental options with short-term leases or discounts.
- **Shared Housing Partners**—A password protected roommate database.
- **Guerilla Tactics**—Tactical assistance with terminology and negotiation techniques.
- **On-line Links**—Links to everything furniture rental to transportation.

Bottom line—You will save time, money, and be able to offer your Interns & Co-Ops the very latest password protected online resource available.
